

FACTORY FURNITURE

European Oak (Quercus alba)

Certification 100% FSC®

Origins

Northern Europe and USA

Density

720 Kg/m³

Strength Class

D30 (Good)

Durability

Class 2 (Very Good - 15-25 years)

Hardness

5990 N (Janka)

Colour

Light brown to straw colour turning grey on weathering

Stability (Resistance to cracking, warping etc)

Moderate to poorly stable

Finish (Machinability and sanded finish)

Good

Use class

Class 3 - Not In ground contact - outside

Comments

Careful attention to remove sapwood as its prone to rot and design in methods to control tannin run off in the first 12 months, larger sections are preferred to increase design life although it must be noted it is prone to shakes (splitting)
