

FACTORY FURNITURE

European Redwood (Pinus sylvestris)

Certification FSC® Mix

Origins

Northern Europe

Density

520 Kg/m³

Strength Class

C14-C24 (Moderate)

Durability

Class 4 (Slightly durable)

Hardness

2760 N (Janka)

Colour

Yellow with reddish-brown tint turning silvery-grey on weathering

Stability (Resistance to cracking, warping etc)

Good

Finish (Machinability and sanded finish)

Good

Use class

Class 3 (treated) - not in ground contact, outside

Comments

Clear graded (free of knots) and stable softwood. Non-durable therefore requires preservative treatment after machining if used in exterior locations
