

# FACTORY FURNITURE

**Iroko** (*Milicia excelsa*)

Certification FSC® C005669

**Origins**

Tropical Africa

**Density**

660 Kg/m<sup>3</sup>

**Strength Class**

D40 (Good)

**Durability**

Class 2 (Very Good - 15-25 years)

**Hardness**

5610 N (Janka)

**Colour**

Golden colour turning grey when weathered

**Stability** (Resistance to cracking, warping etc)

Moderately stable

**Finish** (Machinability and sanded finish)

Good

**Use class**

Class 3 - Not in ground contact, outside

**Comments**

Very dense hardwood popular for outdoor timber applications and furniture. Sometimes used as a lower cost alternative to Teak.
