(surface & sub-surface fix options available)

Foundation

2 no. pads 400 x 400 x 400 mm in C20 concrete (recommendation only)

Handling

Please observe health and safety lifting guidelines. A fork lift or crane will be required for off-loading and positioning of this product

Maintenance

Depends on usage and position. All elements will require annual cleaning. Galvanised and powder coated mild steel only require maintenance if damaged.

*Please note that when a powder-coat is applied over a hot dip galvanised surface pinholing can occur in the surface finish - this is not considered a defect.
