## Foundation

2 no. pads 400 x 600 x 400 mm in C20 concrete  
(recommendation only)

## Handling

Please observe health and safety lifting guidelines.  
A fork lift or crane will be required for off loading and positioning of this product

## Maintenance

Depends on usage and position. All elements will require annual cleaning. Galvanised and powder coated mild steel only require maintenance if damaged.

*\*Please note that when a powder-coat is applied over a hot dip galvanised surface pinholing can occur in the surface finish - this is not considered a defect.*
