See full AutoCAD drawing (available on request)

## Fixing method

6 no. sleeve anchors per bench

## Foundation

3 no. pads 400 x 400 x 400 mm in C20 concrete  
(recommendation only)

## Handling

Please observe health & safety lifting guidelines. A forklift or crane will be required for off-loading and positioning of this product

## Maintenance

Depends on usage and position. All elements will require annual cleaning. Galvanised and powder coated mild steel only require maintenance if damaged.

*\*Please note that when a powder-coat is applied to a hot dip galvanised surface pinholing can occur in the surface finish - this is not considered a defect.*
