## Foundation

1 no. pad 500 x 500 x 300 mm in C20 concrete (recommendation only)

## Handling

Please observe health and safety lifting guidelines. A fork lift or crane will be required for off loading and positioning of this product

## Maintenance

Depends on usage and position. All elements will require annual cleaning. Galvanised and powder coated mild steel only require maintenance if damaged.

\*Please note that when a powder-coat is applied over a hot dip galvanised surface pinholing can occur in the surface finish - this is not considered a defect.
