Handling

Please observe health and safety lifting guidelines.
A fork lift or crane will be required for off-loading and
positioning of this product

Maintenance

Depends on usage and position. All elements will
require annual cleaning. Galvanised & powder coated
mild steel only require maintenance if damaged.

*Please note that when a powder-coat is applied over a
hot dip galvanised surface pinholing can
occur in the surface finish - this is
not considered a defect.
